Subject: Re: Room Res. and Phone info for SWRCB & EPA Water Div. Sustainability Monthly Call

Hi yas,

To make sure our meetings don't only consist of quick summaries of current tasks, let's focus our next meeting on future work—specifically on future work that both agencies either will or should coordinate to carry out.

Given the new CA administration's particular focus on affordable clean drinking water, why not start there and think about how our ongoing work (adaptation, efficiency, etc) can help ensure clean, affordable drinking water for all Californians.

Best,
Charlotte
